OFFICE OF LEGISLATIVE COUNSEL

Tuesday - 4 August 1964

1. [] The Director, accompanied by Emmett Echols and John Warner, met with Senator Russell for approximately 40 minutes concerning the proposed new building for our printing facilities, our 1965 appropriation and our retirement bill. (See Memorandum For The Record for details.)
2. [] The Director, accompanied by Messrs. Cline, Lundahl and Warner, met with the CIA Subcommittee of House Armed Services. (See Memorandum for the Record.)
3. [] Al Westphal, House Foreign Affairs Committee, telephoned indicating that Mrs. Kelly had asked him some questions concerning jurisdiction of Government agencies in connection with subversive activities with U. S. citizens abroad. I indicated to Westphal that Mrs. Kelly had met with an Agency representative early this morning posing some questions which are obviously related to his discussion. It was agreed that we would get together and coordinate our responses to Mrs. Kelly.
4. [] In response to a request of Mrs. Edna Kelly (D., N. Y.) to the Office of the Director, I met with her and received her request for certain information concerning activities of individuals within her congressional district. The information will be discussed with CI Staff and appropriate reply made back to Mrs. Kelly. (See Memorandum for the Record for details.)
5. [] Mr. Jack Matteson, Chief Investigator, House Foreign Operations and Government Information Subcommittee, requested that I come by in the morning to review a complaint made to Mr. Moss concerning FBIS publications. As stated previously, the complaint appears to be that the Blue Book, which is classified OFFICIAL USE ONLY, and the White Book are contradictory.
